Sport

On Thursday the 18th of January All Ireland U21 winning captain Tom Morrissey, manager Pat Donnelly and former Limerick Hurler, James Ryan called to the school with the All Ireland trophy. We asked them lots of questions and they told us what it takes to be a top intercounty hurler. Pat explained to us what being a manager is like. James gave us very good advice when he said to respect our teammates and not to give out to them. He told us to encourage one another at all times. The lads took the time to sign our jerseys and stand in for photos before heading on their way. We really enjoyed the visit and want to say a big thank you to the lads for calling to us.

Annie

On Thursday week the whole school will go to see Annie in the CBS and Presentation Convents Musical. We are looking forward to a great show. A big thank you to our Parents Association who have kindly paid for all our tickets for this show.

Lifetime Lab

On Tuesday the 23rd of January, 4th to 6th class went to Lifetime Lab at Old Cork waterworks. We left at 8:30am and were in Cork by 9:00am. We made pulleys, levers and magnet powered cars. We learned how compasses work, forces, friction and lots more. Our teachers name was Úna, she was really nice. We all enjoyed our day and hopefully we will visit there again.
