Mass in new classroom

On Friday the 5th of October we had a mass for the new classroom. Fr Kelly came in to bless the new classroom.

We sang songs and prayed. We invited our parents to come in. After mass Fr. Kelly gave us leaflets with different prayers on them.

Credit union colouring competition

We would like to congratulate Aine Moriarty for coming runner up in her category . We hope she keeps up her great art work in the future .She drew a really great cloud of thunder and lightning .

Well done Aine !

Fire Officer Visit

On the 16th of October two of the firemen from the Mitchelstown fire department came to talk to us about their job and how to be safe when there is a fire. Their names were Bob Dalton and Denis Power. They first showed us their fire equipment and a fire alarm. After that we asked some questions. We would like to thank Bob and Denis for coming in and we wish them the very best of luck in the future

Sports

The KBNS boys played against and beat Knockainey They then played against Ballylanders and sadly lost by a point in the mini sevens .

The girls played in the mini sevens and did very well . They played Anglesborough in the South schools final and won the cup for the fourth year in a row!

Whizz kids

Every Monday for the next ten weeks we are learning how to use computers. Eugene and Garry come to our school and teach us how to programme games and websites . Third to sixth class learn how to use Kudo . Kudo is an app to help programme games . It is very interesting and fun

Halloween poem

It is a dark and stormy night bonfires de-
light

Going around having a blast trick or
treating its here at last

Its that time of year ,that we scream in
fear , Halloween is here

Scary costumes all around run if you
hear a frightening sound

Happy Halloween we hope to hear you
scream

By Eve Cleary and Sarah o Brien

Glengarra Fieldtrip

On the 9th of October 2nd to 6th class
went on the Glengarra fieldtrip. Two
buses travelled . First we went to the
river and played in it and then we started
walking up to the lodge. It was a long
walk. When we got there we ate our
lunch and we explored the place. We
found a giant wasps nest in a hole. We
then walked back down. This time we
took a different route home. When we
got back we played in the river for a few
minutes before heading home. It was a
great day
